RE: *Freedom of Information Act Request*

Dear FOIA Officer:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I request copies of documents related to facilities located at or near:

- 5417 E Marginal Way S, Seattle, WA;
- 8801 E Marginal Way S, Tukwila, WA;
- 9229 E Marginal Way S, Tukwila, WA;
- 9725 E Marginal Way S, Tukwila, WA; and
- Slip 6 on the Lower Duwamish Waterway.

I am interested in facilities owned or operated by the following entities:

- I.F. Laucks;
- Boeing, especially regarding the Terminal 128 Property, which is the northern acreage of the Boeing Development Center, abutting Slip 6, on the Lower Duwamish Waterway;
- The Port of Seattle;
- King County, especially regarding its storm sewer outfalls or combined sewer outfalls associated with the above-listed properties;
- The City of Seattle, including information regarding the Norfolk CSO Early Action Area;
- Crowley Maritime Corporation;
- Delta Marine;
- PACCAR;
- Northwest Container Services;
- International Paper;
- U.S. Plywood & Seattle Export Lumber;
- Ardaugh Glass;
- Saint-Gobain; and
- Ball Corporation.

I am particularly interested any documentation of spills, releases, enforcement, and response actions relating to the Resource Conservation and Remediation Act ("RCRA"), the Clean Water Act ("CWA"), and air emissions information. I do not need copies of Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA") Section 104(e) responses for the above listed parties, which EPA began soliciting in 2006.

I understand that this request may involve a large number of documents. I am happy to narrow the request once I see the scope of records concerning these parties at these locations. Any index or list of relevant records you can provide would be very much appreciated.

I will prefer to receive records in electronic format. Should the eventual cost of production exceed \$500.00, please notify me before proceeding.

Thank you very much for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew King". The signature is fluid and cursive, with the first name "Andrew" and the last name "King" clearly distinguishable.

Andrew T. King
